To Whom It May Concern:

Reference: Mr. Don White

I have had the pleasure to work with Don during the last 15 years and can attest to his work ethics. Don has been our Property Service Maintenance Manager for over the last 15 years. He has an excellent rapport with our tenants and contractors. His work has always been performed to a very high professional standard and we have not had complaints or call backs to any of our sites. Don has provided his services in landscaping; property maintenance; general contracting on major renovations and tenant improvements; negotiations with sub-contractors and various other works as requested of him.

We would highly recommend Mr. Don White and his services as M&D Properties Services. He has always been pleasant and easy to work with and very co-operative with our schedules and tenant requirements.

Should you have any questions regarding Don and/or his work abilities, I can be reached at 604-250-2267.

Yours very truly

TERRA COPIA ESTATES LTD.
